2011

# THE MULTIHULL SHOW

Visit the **MULTIHULL SHOW** and see the latest designs from the world's leading brands. Multihull enthusiasts can view models from 8 - 23 metres in length, in one location, on the water and side by side at Royal Clarence Marina in Gosport, Hampshire.

The show runs from 10am to 5pm each day. All the multihulls on show will be open for viewing and there will be opportunities to test sail selected catamarans and trimarans.

[www.portsmouthmultihullshow.com](http://www.portsmouthmultihullshow.com)

Every Lagoon is an ideal blend of lively performance, easy handling and live-aboard comfort.

We are always impressed with the amount of thought that Lagoon put into ergonomics. These may not be immediately perceptible so we invite you to spend plenty of time on board when you come to the show: move around the passageways and between the cabins, try the beds, visualise working the gear or preparing a meal in a seaway. Take a look at the latest Nauta Yachts interiors. Then we hope you'll see why Lagoon is by far the world's most successful builder of cruising catamarans.

This year we are proud to feature the Lagoon 400 and the flybridge Lagoon 450. Pricing and specifications of the entire Lagoon range will be available.

For further information please contact Graham Laver

Sail-a-Cat with Breakaway Sailing and savour the experience of a different kind of sailing!

Whether you are a potential catamaran purchaser, charterer or someone who just wants to experience sailing on board a catamaran, this is the opportunity to do just that. We are a friendly family concern operating fully equipped MCA coded catamarans for skippered charter and Tuition.

Please feel free to come on board at the show where you will receive a warm welcome and the chance to chat about your dreams, wishes and aspirations for the future. One of our catamarans will be available to view alongside other Catamaran models allowing you to compare the different characteristics and individual styles of different models.

For further information please contact Ellen Prince

Sole UK agents for

Exclusive Fountainne Pajot Dealer for the UK since 1992.

The M.i.Cats team will be available throughout the show onboard the Fountainne Pajot's.

This year, the show boats will display the new 2011 colour scheme and interior layout that has been a great success. Potential buyers will be able to go sailing and experience the voluminous interior, quality fittings and graceful sea keeping without having to travel too far afield. Brochures, specification sheets and prices for all of the boats in the Fountainne Pajot fleet will also be available, along with full details of a wide selection of brokerage yachts in conjunction with our Caribbean office.

Whatever you are looking for, sail or power, new or pre-owned; M.i.Cats will be able to find you the boat of your dreams.

For further information please contact Carl Livett or Karen George

Dragonfly folding trimarans will alter your expectations of sailing with a unique combination of performance, quality and comfort which has twice won 'European Yacht of the Year' awards.

They offer exhilarating 20 knot performance yet are simple to sail, even solo. Large trampolines are ideal for sunbathing and a Dragonfly floats in knee-deep water to access anchorages denied to other boats. Beautifully crafted interiors maximise comfort below deck and when the sailing is over, a Dragonfly quickly folds to reduce beam by 50%, to access monohull marina berths.

The trailerable Dragonfly 28 is the latest from Quorning Boats, who have built award-winning trimarans in Denmark for over 40 years. Our 2011 range extends from 28ft to 40ft.

Put the fun back into sailing - come and see how a Dragonfly could 'Unfold your Horizons'
